

THE UNIVERSITY OF CHICAGO  
DEPARTMENT OF EMERGENCY SITUATIONS  
PURSUANT TO 365 ILCS-P3378

# NOTICE OF IMMINENT DORM SHUTDOWN

Due to unforeseen cosmic circumstances, the demolition date for **Pierce Residence Hall** has been advanced to

APRIL 1

University contractors have determined that the original design for Pierce Residence Hall included a strict limitation on the number of years that the building should remain standing. As we have neared this deadline, residents have felt its effects in the form of exploding toilets, bad food, and small, dingy rooms. This year, the ancient Indian burial ground beneath the foundation combined with another year of regular use, has expedited the process and Pierce will self-destruct this quarter.

For those students who choose not to remain as inhabitants of the smoldering rubble of Pierce Hall (it wouldn't be much of a difference after all), new housing assignments will be announced

6:30 P.M. APRIL 1 IN  
HUTCHINSON COURTYARD

There will be free cake and entertainment provided by Aramark.
