

THE UNIVERSITY OF CHICAGO  
DEPARTMENT OF EMERGENCY SITUATIONS  
PURSUANT TO 365 ILCS-P3378

# NOTICE OF IMMINENT DORM SHUTDOWN

Due to the presence of ghosts, **Snell-Hitchcock Residence Hall** will be demolished on

APRIL 1

Increased reports of activity have led the administration to conclude that the historic residence is beyond saving. Beginning today, the building will be slowly dismantled and used as parts for Scav for the next two years.

According to University contracted ghostbusters, the ghosts do not speak or react to anyone. Instead, they sit in their former rooms all day. They are not interested in anything that happens outside of their quiet home and they do not appear to care about anything that occurred after 1850. Further, eyewitness accounts suggest that their fashions are hideously antiquated. Beware of ghosts during all movement within the residence, and stay in your rooms as much as possible during evacuation.

New housing assignments will be announced at

6:30 P.M. APRIL 1 IN  
HUTCHINSON COURTYARD

There will be free cake and entertainment provided by Aramark.
