

THE UNIVERSITY OF CHICAGO  
DEPARTMENT OF EMERGENCY SITUATIONS  
PURSUANT TO 365 ILCS-P3378

# NOTICE OF IMMINENT DORM SHUTDOWN

**Stony Island Residence Hall** is expected to finally be reclaimed by the sea at some point on

APRIL 1

While the University took significant preventative measures over Spring Break, an internal audit has determined that the engineering firm contracted to construct levees surrounding the building was repurposed at the last minute to resolve drainage issues on the Main Quadrangle.

In the event of full submergence, the dome-shaped windows and connecting tunnels will activate. An anonymous donor has opted to rename the building "Rapture" in the event of catastrophic flooding.

New housing assignments will be announced at

6:30 P.M. APRIL 1 IN  
HUTCHINSON COURTYARD

There will be free cake and entertainment provided by Aramark.
